The Kettle Face North Stewardship Integrated Resource Timber Contract is located within T37N, R36E, 1-4, 8-12, 14,15, 17, T37N, R37E, 6, 7, T38N, R36E, 1, 2, 10-15, 22-27, 34-36, W.M.. The Forest Service will receive technical and price proposals (no public opening) at Colville National Forest Supervisor's Office, 765 S. Main St, Colville, WA no later than 10:00 AM local time on or before **September 24, 2012** for an estimated **27,411 CCF** of sawtimber marked or otherwise designated for cutting. In addition, there is within the contract area an estimated volume of **6,587 CCF** of green convertible biomass that the Offeror agrees to remove at a fixed rate. Also included in the contract are three mandatory restorative service projects to be completed by the Contractor. Offerors qualifying as small business concerns under the Small Business Act may, when submitting an offer, elect for the Forest Service to build permanent roads. Additional information concerning this option is in the prospectus. The contract will be awarded based on a Best Value determination. One award will be made to the Offeror (a) whose proposal is technically acceptable and (b) whose technical/price relationship is the most advantageous to the Government. The Forest Service reserves the right to reject any and all proposals. Interested parties may obtain a prospectus from the office listed below. A prospectus, offer form, and complete information concerning the timber, the restoration service projects, the conditions of sale, and submission of offers is available to the public from the Supervisor' Office. Contract information and offering documents can be found on the Colville National Forest web page "<http://fs.fed.us/r6/colville/projects/eco-mgt/index.shtml>".
